I hereby authorize the designated Martic Township official to investigate, inspect and examine the Property set forth herein, including land and structures, to determine compliance with the Martic Township Zoning Ordinance and to determine the accuracy of the statements contained herein.

*I am aware that I **CANNOT OCCUPY or USE** the Property for the purpose of conducting the use set forth herein and cannot commence excavation or construction until a Permit has been issued by Martic Township. I am aware that I cannot change the use of the Property herein until I have applied for and receive Zoning Permission for such proposed use. By signing this application, I certify that all the facts in the application and all accompanying documentation are true and correct. This application is being made by me to induce official action on the part of Martic Township, and I understand that any false statements made herein are being made subject to the penalties of 18 Pa. C.S. 4904 relating to unsworn falsification to authorities.*

The issuance of a Zoning Permit is based upon the facts stated and representations made in this application. A Permit may be revoked if the use and/or structure for which it has been issued violates any applicable Township, County, State or Federal law or regulation, including but not limited to the Martic Township Zoning Ordinance. This Permit may also be revoked if it has been issued in error or if issuance was based upon any misrepresentations or errors contained in the application or otherwise made by the Applicant.

The permit holder is advised that persons aggrieved by a use or development permitted on the land of another may file an appeal with the Martic Township Zoning Hearing Board seeking revocation of any permits issued or approvals granted within thirty (30) days from the issuance of such permit, or at a later date if such aggrieved person alleges and proves that he had no notice, knowledge or reason to believe that such approval had been given.

Notice is hereby given that if the property described in this permit will require access to a highway under the jurisdiction of the Pennsylvania Department of Transportation, a Highway Occupancy Permit is required pursuant to Section 420 of the Act of June 1, 1945, P.L. 1242, No. 428, known as the State Highway Law, before driveway access to a state highway is permitted. Access to a state highway shall be only as authorized by the Highway Occupancy Permit issued by the Pennsylvania Department of Transportation.

The Zoning Officer does not guarantee or give opinions relating to the proposed construction under the Permit and does not warrant compliance with applicable laws or regulations by the issuance of a Zoning Permit. The Applicant bears all responsibility for insuring compliance with the Martic Township Zoning Ordinance.

*Storm water Management Ordinance along with the Martic Township Subdivision and Land Development Ordinance, and Act 222, the Energy Conservation Act. **Applicant acknowledges that he has not relied upon any oral or written statements of officials of Martic Township in making this application.***

I acknowledge that the holder of a zoning/building permit is responsible to insure compliance with all applicable Township Ordinances during and at completion of the work authorized by the permit. I acknowledge that the Township requires a final inspection to be performed by the Building Inspector/Zoning Officer and that the Zoning Officer issues a Certificate of Use and Occupancy before the structure, which is authorized by this permit, may be occupied. It is my responsibility to insure that this inspection scheduled and the Certificate of Use and Occupancy obtained before the structure may be occupied. I acknowledge that if I occupy or permit the occupancy of this structure prior to issuance of a Certificate of Use and Occupancy, I will have committed a violation of the Zoning Ordinance and will be subject to the penalties and remedies in the Zoning Ordinance. I also acknowledge that, if the structure is occupied prior to the final inspection, work may have to be removed and executed in order that it may be adequately inspected. If the Township is required to perform an inspection after the structure is occupied, intending to be legally bound hereby, I agree to pay the fee established by the Township for delinquent inspections.
