INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW

4 Generally speaking, the Real Estate Seller Disclosure Law (68 P.S. §7301 et seq.) requires that before an agreement of sale is signed, the
5 seller in a residential real estate transfer must make certain disclosures regarding the property to potential buyers in a form defined by the
6 law. A residential real estate transfer is defined as a sale, exchange, installment sales contract, lease with an option to buy, grant or other
7 transfer of an interest in real property where **NOT LESS THAN ONE AND NOT MORE THAN FOUR RESIDENTIAL DWELLING**
8 **UNITS** are involved. The Law defines a number of exceptions where the disclosures do not have to be made:

- 9 1. Transfers that are the result of a court order.
- 10 2. Transfers to a mortgage lender that result from a buyer's default and subsequent foreclosure sales that result from default.
- 11 3. Transfers from a co-owner to one or more other co-owners.
- 12 4. Transfers made to a spouse or direct descendant.
- 13 5. Transfers between spouses that result from divorce, legal separation, or property settlement.
- 14 6. Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of
15 liquidation.
- 16 7. Transfer of a property to be demolished or converted to non-residential use.
- 17 8. Transfer of unimproved real property.
- 18 9. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust.
- 19 10. Transfers of new construction that has never been occupied when:
 - 20 a. The buyer has received a one-year warranty covering the construction;
 - 21 b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model
22 building code; and
 - 23 c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

24 In addition to these exceptions, disclosures for condominiums and cooperatives are limited to the seller's particular unit(s). Disclosures
25 regarding common areas or facilities are not required, as those elements are already addressed in the laws that govern the resale of condo-
26 minium and cooperative interests.

27 While the Law requires certain disclosures, this statement includes disclosures beyond the basic requirements of the Law in an effort to
28 assist sellers in complying with seller disclosure requirements and to assist buyers in evaluating the property being considered. Sellers who
29 wish to see or use the basic disclosure form can find the form on the Web site of the Pennsylvania State Real Estate Commission.

30 This Statement discloses Seller's knowledge of the condition of the property as of the date signed by Seller and is not a substitute for
31 any inspections or warranties that Buyer may wish to obtain. This Statement is not a warranty of any kind by Seller or a warranty or rep-
32 resentation by any listing real estate broker, any selling real estate broker, or their licensees. Buyer is encouraged to address concerns about
33 the condition of the property that may not be included in this Statement. This Statement does not relieve Seller of the obligation to disclose
34 a material defect that may not be addressed on this form.

35 A material defect is a problem with a residential real property or any portion of it that would have a significant adverse impact on the
36 value of the property or that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem
37 is at or beyond the end of the normal useful life of such a structural element, system or subsystem is not by itself a material defect.

38
39 Check yes, no, unknown (unk) or not applicable (N/A) for each question. Be sure to check N/A when a question does not apply to
40 the property. Check unknown when the question does apply to the property but you are not sure of the answer.

Where required permits were not obtained, the municipality might require the current owner to upgrade or remove changed made by the prior owners. Buyers can have the property inspected by an expert in codes compliance to determine if issues exist. Expanded title insurance policies may be available for Buyers to cover the risk of work done to the property by previous owners without a permit or approval. **Note to Buyer:** According to the PA Stormwater Management Act, each municipality must enact a Storm Water Management Plan for drainage control and flood reduction. The municipality where the property is located may impose restrictions on impervious or semi-pervious surfaces added to the property. DECLARATION OF RESTRICTIONS

THIS DECLARATION was made as of the 5th day of February, 2024, by **MARTIC TOWNSHIP**, Lancaster County, Pennsylvania, a municipal corporation organized and operating under the laws of the Commonwealth of Pennsylvania with its municipal offices located at 370 Steinman Farm Road, Pequea, Pennsylvania 17565 (the "Township").

BACKGROUND

The Township is the record owner of a tract of land improved with a single family detached dwelling identified as 364 Steinman Farm Road by virtue of a deed recorded at Document No. 5991381 in the Office of the Recorder of Deeds in and for Lancaster County, Pennsylvania (the "Property"). The Township owns the adjoining tract of land identified as 370 Steinman Farm Road, Lancaster County Tax Account No. 430-19449-0-0000, by virtue of a deed recorded at Deed Book H, Volume 60, Page 945, in the Office of the Recorder of Deeds in and for Lancaster County, Pennsylvania (the "Municipal Complex Lot") which is developed with the Township office building and buildings used by the Township's Public Works Department.

The Township desires to restrict the use of the Property to prevent uses which are incompatible with the use of the Municipal Complex Lot and records this document to do so.

NOW, THEREFORE, intending to be legally bound, the Township for itself, its successors and assigns, and all future owners of the Property declares as follows:

1. The Property may be used only as a single family detached dwelling and accessory residential uses. Occupancy of the Property shall be limited to one family as that term is defined in the Zoning Ordinance of Martic Township enacted November 4, 2002, which definition provides as follows:

Family – an individual or individuals related by blood, marriage or adoption (including persons receiving foster care) that maintain one common household and live within one dwelling unit. Additionally, up to three (3) unrelated individuals who maintain a common household and live within one dwelling unit may be considered a family. Finally, a family shall also expressly include any number of unrelated persons who reside within a licensed group home, as defined herein.

2. The Property may not be used as a short-term rental or for any other form of transient occupancy. Rental or leasing or other occupancy of the Property for less than 30 continuous days is a violation of this restriction.

3. No bovine, equine, swine or ovine animals may be maintained on the Property. No poultry may be maintained on the Property.

4. These restrictions run in favor of the adjoining property of the Township identified as 370 Steinman Farm Road, Lancaster County Tax Account No. 430-19449-0-0000 and may be enforced by the Township and successor owners of such land.

5. All of the provisions, agreements, rights, powers, covenants, restrictions, and obligations contained in this Declaration shall be binding upon the successor owners of the Property and shall constitute equitable servitudes and covenants running with the land.

6. This Declaration shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania and shall be enforced in the Lancaster County Court of Common Pleas.

IN WITNESS WHEREOF, the Township has executed this Declaration on the 5th day of February, 2024.
